

The Bangkok Music Society

PO Box 1377 Nana Post Office

Bangkok 10112

Website: www.bangkokmusicociety.com

The Bangkok Music Society (BMS) is a non-profit-making organization, and seeks as its main objective to foster and encourage the performance and appreciation of music in Thailand. Membership attracts music lovers of all nationalities, and offers opportunities to attend and/or participate in regular in-house concerts, as well as in larger events for public audience.

The range of musical styles is wide, from the classics to jazz and musicals. Local artists are encouraged, and BMS runs annual scholarships, competed for by young talented Thai musicians. Occasionally visiting artists are also able to perform with or for us here in Bangkok. Many of our events support Thai charities. We also arrange informal musical activities to provide instrumentalists among our members with opportunities to perform in solo works, duets, quartets, and other ensembles.

The BMS Choir rehearses weekly throughout the season on Wednesday evenings, again with a wide variety of music including performances of major choral works, opera, sacred and secular music, Broadway hits, through to international folk songs. New members are always welcome in all voice parts.

Individual membership qualifies for discounted tickets to concerts for the member, and all other categories qualify for discounts for the member and family. Donors receive one free concert ticket per year and patrons receive two, and their names are included in all programmes. If you are interested in joining the BMS, please complete the form below, tear it off, and send it – together with the appropriate subscription – to the Membership Coordinator c/o the address above. For further information please call 089-793-2331 or visit our website (see above).

Thank you!
